

## LETTER FROM THE MANAGER – JANUARY 2009

As we put 2009 to rest and begin 2010, I would like to thank the membership for an outstanding year, both supporting the Club and also for recommending the Club for private parties. This New Year will be challenging with an uncertain economy and weather related situations. However, our banquet bookings appear to be similar to last year and this gives us something to build upon.

Speaking of support, on behalf of all the employees at Meadia Heights, I would like to thank the Membership for their generosity with the employee Christmas Gift. It was greatly appreciated.

The Giving Tree was loaded with gifts and once again we heard many comments from guests who were attending private parties. This is just another example of the kind of members we enjoy.

As many of you know every January the Club is closed until the last two weekends for cleaning, painting etc. We will be open Friday, Saturday, Sunday, January 22, 23, 24, and 29, 30, 31, with regular hours except we close at 2 pm on Sundays.

We will be in the office taking care of business, answering the phone, booking parties, taking reservations and getting ready for another “Meadia Adventure”.

We will also be doing a number of large private parties while the Club is closed. Last year was a record for business during our down time and this year looks the same.

**SUNDAY BRUNCHES** will be on Sunday, January 24<sup>th</sup> and 31<sup>st</sup> serving 11 am until 1:30 – featuring Kent’s famous Omelets, other Breakfast Dishes, several extras, Salads, Fruits, Desserts and of course Mini Grilled Sticky Buns.

**SUPER BOWL SUNDAY, FEBRUARY 7<sup>th</sup>** ...mark the date. Last year was great-both the game and the food. No regular dining that evening. Members begin arriving late afternoon to claim their space. The Football Food Buffet comes at 5 pm and stays out until the beginning of the third quarter...25.00 per person includes Food, Draft Beer, Wine and Sodas, a super price for a super night. Reservations please kick-off is at 6:20 pm ...Big Screen TV in Ballroom and 19<sup>th</sup> Hole. Hours of operation for February are still being decided, but we will definitely be back with those specialty nights and other surprises. By the way our new Wine List is now available, along with our new and improved Wine Glasses.

Remember to keep the Club in mind for those private parties, business meetings and entertaining friends. Every time we have a banquet of non-members, we expose the Club to additional possibilities. I can’t tell you how many banquets we’ve booked as a result of people attending another party.

The Staff and I are looking forward to another year as part of the “Meadia Family”.

See you at the Club  
Chuck Landis  
Manager
