Murder Mystery Dinner

Join us Saturday December 9th for a night of food, murder, and mystery as Meadia Heights hosts:

The Murderer's Speakeasy!

In the height of prohibition Handgun Harry Engle's speakeasy was a haven of vice, women and bathtub gin. It's just another night of sin; with Fast Eddie Ford and new bootlegged shipment of hooch from Canada, Miss Pearl and her girls of "hospitality" on the second floor and more mobsters than you can shake a stick at. Trouble happens when word comes from the Boss; a stool pigeon is snooping around working for Eliot Ness and the Feds. Find the stoolie and save the speakeasy, and keep the good times rolling!
