

Message from the President

Greetings of the season!

With great post-Thanksgiving weather, it is nice to be able to continue enjoying fall golf at Meadia Heights. Take advantage of it!

I hope to see everyone at the Member Appreciation Event this weekend. It will be a great celebration of our year's champions and for all of us to celebrate our bright future and begin the holiday season.

As a reminder, there is still time to donate to the Club's annual employee holiday fund. In typical fashion, this year as in previous years, the membership continues to be generous.

It was heartwarming to see good attendance at our final "Annual Meeting of the Corporation" on November 21. Thanks too for all the kind words many of you had for me and the other board members. It is absolutely incredible how dedicated, supportive and caring all the members of Meadia Heights are!

The members will continue to be the key asset and competitive strength for this Club.

With that I will conclude my final Tee Talk article and thank you for the fantastic support and encouragement while I have served as your Club President these last 8 years. It has been an honor.

What a fantastic future we have!

Indeed we did!!!

See you at the Club,

Message from Daniel Glick

Happy Holidays to all the members and the staff at Meadia Heights Golf Club.

We are very excited to have Rich Carr on board as our General Manager and Director of Golf Operations. Please stop by and introduce yourself to him.

We are looking forward to a very exciting 2018 for Meadia Heights. We are hopeful we can introduce 50 new golfing members to our club during the year. Please assist us in making new members feel welcome.

Starting in December, we will be doing a complete renovation to the Ballroom. It will include new tables, chairs, dinnerware and other items. This will be invaluable to Scott Reis, Chef Mary & Kellyanne as they continue to build our book of outside functions.

Tom and his team will be working hard all winter long on our bunker repair program. I am sure some of you have noticed this activity has already begun.

Look for the following upgrades this Spring:

- Extensive tree limb trimming and dead tree removal to freshen up the golf course.
- Renovations to the rear dining deck in order to have a more pleasant outdoor dining experience for our members.
- Updating the landscaping to improve curb appeal around the clubhouse.
- Repair and re-pave the parking lots as well as all cart paths on the course. This is a major project that will really improve the experience of playing a round of golf at Meadia Heights. We will make every effort to accomplish this project as quickly as possible with minimal disruptions to your golfing experience. We expect during this project to have alternating days with only 9 holes available for play.

We are also looking forward to having the pro shop well stocked with everything you need to take your game to the next level. Please feel free to give the golf shop staff feedback on what you would like to see.

As the 2018 golf season approaches, we plan to restart some version of the Meadia Monday newsletter. We are looking at text messaging communications options for frost delays, course closures due to weather etc. to more effectively communicate to the members.

Again, thanks to all the members of Meadia Heights Golf Club, as well as the Board of Directors for the incredible support shown in the ownership transition. The past several months were extremely busy and had a very negative affect on my course handicap.

Happenings in the House

First, I would like to thank everyone who came out to our Thanksgiving Day Grand Buffet and made it a successful and great event! As the weather gets colder, we will be adjusting the Club House hours of operation. Starting December 5th, our hours will be as follows:

Monday

Closed

Tuesday

Closed

Wednesday – Friday

11:00 am to 8:00 pm

Saturday

11:00 am to 6:00 pm

Sunday

11:00 am to 3:00 pm

Bar service will be based on weather and play.

As a reminder the club house will be closed beginning January 1st for our winter shut down and ballroom renovations. We will be reopening the end of January for service.

I would like also to thank Kitty Moranz for scheduling many great social events this year, as well as the upcoming events in December. I will be starting up our new social committee in the next few weeks and we will begin planning a fun 2018!

As usual any feedback is appreciated to help us cater better to our members. Please feel free to contact me at any time. If you are looking to hold any events here at Meadia Heights, remember as a member you have the rooms' fees

waived. Please feel free to contact Kelly to set up your next event.

The Giving Tree to support Operation Home Front is in full swing. We would love to see as many members participating as possible to benefit this great cause. Pick out a gift selection and drop off your unwrapped gift by December 13th!

Thank you all again for your support of the house! We love seeing all of you and look forward to an exciting 2018!

Best Regards, Scott Reis

Social Committee Update

We end 2017 with several wonderful social events. Golf may have to wait until spring, but we can certainly all enjoy our club socially.

December 3rd is the annual Member Appreciation Night starting at 4pm. I've been told Chef Mary has really outdone herself and this year's celebration will be spectacular!! Don't forget to let the club know if you will be attending.

December 9th, we will be hosting a new event. Please make reservations and join us for a Murder Mystery Dinner Theater. It promises to be an exciting evening filled with intrigue and excellent food. Scott will be arranging our seating, so no need to make up a table. It's all part of the fun.

The Ladies' Luncheon is scheduled for December 16th, starting at noon. All ladies of the club and guests are welcome.

Bring your friends and enjoy an afternoon at Meadia.

Scott and his committee will be planning many fun and interesting social activities for next year. Be sure to let him know if you have any suggestions for future events. Hope to see lots of members supporting Meadia and attending our social activities in 2018.

Member Appreciation & Awards Night

Sunday
December 3, 2017
4:00pm - 7:00pm.

While the Pro Shop will present the annual golf awards at this event, the highlight will be appreciating our members with great food, service and fellowship.

Marketing Committee Update

2017 was a very active year with new membership initiatives. Below is a summary of those activities:

-Bought a 300-person qualified listing of golfers within a 10-mile radius of Meadia Heights Golf Club and sent a three-piece mailing to promote our golf and dining membership.

- Fifty-Seven new members in 2017 representing new dues to our club.

- Introduce potential members to our club for membership through Clipper Magazine introducing 432 potential new members to Meadia Heights.

In addition, I would like to thank the Marketing Committee, consisting of Dick Toriello, Will McGrorty, Craig Trout, Gene Homan, Ted Maurer, Jim Wohlsen, Scott Reis, and Mary McClain.
