# MESSAGE FROM SCOTT REIS

GENERAL MANAGER

As the leaves start falling and the weather gets colder, we see another golf season coming to an end. Congratulations to all of our 2018 tournament winners, and a huge thank-you to all of our participants! While the weather has not been kind to us—receiving over 45 inches of rain since April—I have to give a huge shout-out to Rosie and his team for doing everything they could to keep us playing as much as possible.

I also want to give some big thank-yous to our leadership team: Scott Sklar and his staff for putting together some great tournaments and events, the Marys and their teams for continuing to improve our food and beverage program, and KellyAnn for bringing in and coordinating our growing banquet and wedding department. They all have been working very hard this year creating the excellent member and guest experience we are striving for!

We have seen some great things happening here since January, including cart path paving, tree work, bunker repairs, ballroom renovations, a new tap system, and much more. These improvements have brought not only a real buzz, but also many new family members in all membership categories to Meadia Heights. We hope to continue this trend in the 2019 season, which will pave the way for even more upgrades and an enhanced membership experience.

With that being said, the Meadia Heights team can't thank all of you enough for bearing with some of the “growing pains” we have experienced this year. These sacrifices today will pay out so much more as we move forward tomorrow. With a fully stocked golf shop, upgraded driving range (growing as we speak), the 19th Hole renovation in January/February, expansion of the deck planned for March, and many course repairs and enhancements slated for the winter, we cannot express how excited we are! While we may continue to have a few growing pains in the short term, we promise your investment as a member here will produce great returns in the long term.

Daniel said it best in our first issue of *Bump & Run*: **“Thank you for your loyalty, support, and love for our community.”** Your Meadia Heights team will be working hard to take you to the next level of excellence and to truly make Meadia Heights your home away from home!

*Scott Reis*

# MEADIA HEIGHTS CLUB UPDATES

## ✓ DRAFT TAP SYSTEM

After many months of anticipation, we have finished our new draft system project! We have upgraded our beer system to accommodate six draft beers, including one nitro tap for Guinness. Our staple beers will include Miller Lite, Yuengling Lager, and Guinness. The other three taps will be rotated. Look out for some great local craft beers from St. Boniface, Tröegs, Victory, and more!

## ✓ DRIVING RANGE ENHANCEMENTS

We are excited to announce the following enhancements we will be adding to the range for next season:

- New highly visible yardage flags
- Short game targets
- New range mats
- Faster-growing divot mix and holders
- Daily updated yardage sign
- Two additional bays

## FEATURED DRINK BORDEAUX

Bordeaux wines are some of the most famous and highly coveted in the world. While there are both red and white varieties of these wines from the Bordeaux region of France, the name Bordeaux is primarily associated with the red. Red Bordeaux is typically made from blending two grape varieties together, Cabernet Sauvignon and Merlot, while white Bordeaux often blends Sauvignon Blanc and Sémillon. The proportion of each grape depends on the location of the winery creating the blend.

Inspired by this blending of grapes, we've paired a 2015 Château Peynaud Bordeaux with our signature meatloaf. To nonmembers, this pairing may seem unusual. Meatloaf may not seem like an upscale meal worthy of wine, but at Meadia Heights, we know better! Our meatloaf is moist and flavorful, comfort food of the highest level. That's why this pairing of our meatloaf with a perfect glass of red wine is our highlighted choice for your dining pleasure on these brisk evenings.

# GOLF'S NEW RULES KEY CHANGES

The R&A and the USGA have released golf's new rules, which will take effect on January 1, 2019. Here are five of the most significant changes.

## 1 TIME FOR BALL SEARCH

Three minutes is the new maximum time allowed to search for a ball. Currently the time is five minutes.

## 2 REPAIRING SPIKE MARKS

You are allowed to repair spike marks and any other damage on the putting green caused by people, animals, or maintenance.

## 3 RELAXED RULES IN PENALTY AREA

You will now be able to ground your club and move loose impediments within a penalty area (an expanded concept of water hazards that does not include bunkers).

## 4 HOW TO DROP A BALL

You must drop your ball from knee height, and it must not touch any part of your body or equipment.

## 5 LEAVING FLAGSTICK IN THE HOLE

There is no penalty if you make a stroke from the green and your ball hits the flagstick in the hole.

For more information on new rules, please visit [usga.org](http://usga.org) or [randa.org](http://randa.org).

# MEMBER SPOT- LIGHT

## BIG JOHN & JOYCE HATHAWAY

### They've been members of Meadia Heights for...

John and Joyce joined Meadia Heights seven years ago, in 2011.

### They decided to join the club because...

John had many friends who were members of the club for years, so he eventually decided to join them. Though it took Joyce a couple years to warm up to it, she finally learned how to play golf too. "I'm still learning!" she says.

### Their favorite Meadia Heights memory is...

For Joyce, it was winning Most Improved Golfer in 2017 for the 18 holers. (That learning experience paid off!) John's favorite memory is his hole in one on hole 13.

### John and Joyce grew up in...

"You're assuming I've grown up!" John quips. Seriously, though, John has lived in Pennsylvania since he was 14, and Joyce grew up in Quarryville. They were both athletes in high school, with Joyce playing volleyball and John playing baseball and basketball.

### Their favorite childhood memories include...

Joyce has fond memories of vacationing at the shore in the summertime. John loved growing up in Maine and visiting its rocky coast.

### Their first cars were...

John drove a 1971 Ford Mustang. Joyce remembers her 1967 Chevy Camaro fondly: "I wish I still had it."

### After high school...

John attended Millersville University. Joyce took a different path—she had a back operation. After her cast was removed, she started her job as a police dispatcher before moving on as a dispatcher in the trucking industry. Thirty-three years later, she still works in transportation!

### They first met...

John and Joyce met at work. According to John, "My first day at work many years ago, I was told that she would be the person telling me what to do. I just didn't know for how long!" They now have three children together—two daughters and one son.

### They took their last vacation in...

Joyce went to Rocky Gap Resort in Maryland for a weekend of gambling and golf. John ventured south to Myrtle Beach, South Carolina.

### Their bucket list items include...

Travel is on both of their bucket lists. Joyce would love to visit Scotland, while John hopes to head down under to Australia.

### Joyce and John's favorite beverages are...

Joyce enjoys wine, while John prefers a cold beer.

### Their favorite food is...

John loves a good steak, but pizza is a close second. Joyce is less specific: "Anything I don't have to cook!"

### If they could invite any three people—living, dead, or fictional—to a dinner party, they would invite...

Joyce would invite her mother and father and the author Stephen King. John would choose musician Bruce Springsteen, comedian Kevin Hart, and actor Sean Connery.

### If they were animals, they would be...

Joyce would be a sleek black panther. John would be an eagle. ("Just not a Philadelphia Eagle!")

### If they're not at the club...

You might find John playing pool or going out to catch some live music. Joyce loves to shop.

### If you dropped in on them at home unexpectedly, they would be...

Depending on the time of day, John would be either sleeping or watching TV. Joyce would be doing laundry. Hey John, help a lady out!

# IT'S IN THE BAG

We've seen what KJ Stutz can do out on the course. But how does he do it? We recently took a look inside his bag to get the inside scoop on his game.

KJ Stutz

How far do you hit  
your 7 iron?  
155 to 160 yards.

How old are  
your irons?  
10 years old.

What is your  
favorite club?  
Putter.

What iron do you  
chip with?  
52 or 58 degree wedges.

If your clubs could talk,  
what would they say?  
“Believe in yourself. Doubt  
leads to defeat.”

What brand  
of ball are  
you currently  
playing?  
Pro V1x

Lowest gross score for 18?  
62.

Favorite professional golfer?  
It depends on who he has on his fantasy golf  
team. This year it has been Justin Rose.

What is your current handicap?  
1.

If you could play any course in the  
world for free, which one would it  
be?  
Augusta National.

Favorite hole at Meadia Heights?  
18.

What snacks do like to have on  
hand when playing?  
He doesn't eat while playing golf.

What's the story behind your  
favorite ball marker?

He typically uses his  
Giants or Notre Dame  
ball marker when  
playing because  
they are his favorite  
football teams.

Favorite golf memory?  
“I remember playing in the Lanco Better Ball  
one year with Pete Toole, and we needed  
to birdie the eighteenth hole to get into a  
playoff at Conestoga Country Club. I hit  
my approach shot to about fifteen feet,  
and my dad (who was caddying for me)  
handed me my putter and said to me that  
he would rather have no person in the world  
putting this ball but me. It gave me a lot of  
confidence, and I proceeded to make it. Pete  
and I went on to win in a playoff.”

# EMPLOYEE SPOTLIGHT

## ANDREW BURKHOLDER

### LINE COOK

Line cook Andrew Burkholder has been a member of the Meadia Heights kitchen family since April 2015. Surprisingly, he's not much of a golfer himself, but he does come from a golfing family (his father and brother Steven are both high school golf coaches). Having previously worked at Eden Station and Lintia's Restaurant and Bakery, Andrew hopes to enjoy a long career at Meadia Heights. Get to know the man behind the chef's coat with these fun facts.

1

2

4

7

1

Andrew grew up in Lititz and attended Warwick High School, where he played baseball all four years.

2

His favorite drink is Turkey Hill tea, either sweet or green tea.

3

Andrew's first car was a gold Saturn.

4

His favorite meal is a medium-rare steak accompanied by a sweet potato with butter.

5

If he were an animal, Andrew would be a lion. He's always been fascinated by the animal.

6

If Andrew could invite three people—living, dead, or fictional—to a dinner party, his guests would be his maternal grandfather, his childhood idol Cal Ripken Jr., and God (so he could ask some of the big questions about life).

7

When Andrew isn't working at the club, he likes to spend time with friends and go bowling at Cain's Lanes in Manheim. This summer, he vacationed at Bethany Beach, where his parents own a home.

8

One of Andrew's favorite things about working at Meadia Heights is being able to learn from Skip, who has taught him a lot. Even though he's in his eleventh year of cooking, he knows he can always learn more.

THERE'S SOMETHING  
ABOUT MARY

You've probably encountered Mary Henry, Meadia Heights' front of house manager. But did you know that before she took on that role in July of this year, she worked in our kitchen? We recently chatted with her to learn more about one of our favorite friendly faces around the club.

A native of Lancaster County, Mary spent eight years working at the DoubleTree Resort before coming to Meadia Heights in October 2017. She initially worked in the kitchen, drawn to the attractive working hours and the fun and homey environment of the club. Since then, she's also come to love her coworkers and the club's members. "I like how fun and happy everyone is, how everyone's so close," she said.

When it comes to her role at Meadia Heights, Mary is definitely in the right place. "I just love food in general," she said, and added that rare steak with mashed potatoes is probably her favorite meal. For drinks, coffee is her versatile favorite. "Sometimes black, sometimes with an ungodly amount of cream and sugar, sometimes with alcohol in it. It just depends."

In her free time, Mary loves to read and spend time with her two daughters, Lyla and Evelyn. She is not a golfer—yet. For now she's happy with mini golf, but has vowed to someday try the real thing. Next time you see her around the club, give her a few pointers!
