MESSAGE FROM SCOTT SKLAR

HEAD GOLF PROFESSIONAL

Happy summer to all! The golf course is in top shape thanks to Rosie and his crew, and with help from the cooperating weather and the hard work of our entire staff, Meadia Heights is enjoying a great summer so far.

I would like to take this time to provide a few updates on happenings around the club, including weekend play options for our members, tournament and tee time updates on our website, and lower prices on apparel and equipment in the golf shop.

WEEKEND PLAY

As our membership grows, it is more important than ever that we follow the guidelines that are in place. Saturday mornings from 7:30 to 10:00 are reserved for our full golfing MGA members. From 10:00 to 11:00, the WGA members have reserved their tee times to play 18 holes. The highly anticipated sweeps and skins games for men and women are available every Saturday, and we hope that our newest members feel welcome to the game. If an MGA or WGA member would like to play Saturday morning and does not have a normal group to play with, the golf shop staff will be happy to accommodate you. If you are interested, we will make sure you get set up with a regular Saturday player and work to find you a regular spot. **Please note that a limit of one guest per foursome is allowed before 10:00 am. We want to ensure that every MGA member has a spot in the game, and the Golf Staff wants to assist the regular groups who are looking for a third or fourth player.** Two or more guests are permitted after 11:00 am on Saturdays. On Sundays, we allow two guests per foursome before 10:00 am.

ONLINE TOURNAMENT PORTAL

We hope you have been able to view our new Online Tournament Portal for both MGA & WGA. You are now able to look at past and present bracket results, such as those for the Presidents Cup or Old Pal. Also available are player stats, hole-by-hole course statistics, and course analytics. Located under "Men's

Event Results" & "Ladies' Event Results," those who enjoy looking at numbers might find our course even more intriguing! The Member Directory goes hand in hand with the multi-round events at Meadia. If you ever need to find out another member's contact info to set a match date, you can find the Member Directory at the top of the "Member Menu."

ONLINE TEE TIMES – COMING SOON

Planning ahead, we are looking forward to introducing online tee times this fall. We want to begin this transition process toward the end of this year so when next spring comes around, members will be familiar with the system. There will certainly be a learning curve, but we have confidence our members will appreciate what an online tee time system can do.

GOLF SHOP SALES

I always enjoy learning what our members like in the golf shop. We hope you enjoy what we have selected this year. **Please note that members receive 10% off the listed price on all apparel items and golf equipment.** Also, we are extremely competitive with all online wholesalers, and we always take good care of our members who support the golf shop when it comes to equipment. Meadia Heights is very proud to have all major vendors at our fingertips and will do our best to accommodate the membership.

I hope the summer of 2019 here at Meadia Heights brings you lots of great memories to remember. As membership continues to grow, and with many more exciting new things to come, we continue to strive to give our members the best possible experience both on and off the golf course. I hope you are as excited as we are about what's to come here at Meadia Heights. Cheers to more fairways and greens!

Golfingly yours,

Scott Sklar

HOW TO PLAY HOLE 12

Written by Scott Sklar, Head Golf Professional

Par 4 | White Tees: 287 Yards

Hole #12 is quite intriguing. It can keep you up all night thinking about how you double-bogeyed a par 4 that is under 300 yards. Or, you can find yourself boasting to friends that you hit—or almost hit—your tee shot on the green of a par 4 and made easy birdie.

There are several intricacies in playing this short but articulate hole. Either your second shot plays blind from 110 to 150 yards, or you can select to bomb driver, leaving yourself with a chip/pitch of 20 to 50 yards onto a green that slopes both front to back and left to right. Nearly every chip or pitch rolls off the back of the green, and you're left with the thought of par, or even bogey, from 20 yards away after your tee shot. And then there is this: If you hit your tee shot left, the hazard swallows your golf ball, leaving you with a recommended provisional ball from the tee. If it is a lost ball, the third shot was from the teeing ground, now heading toward the antagonizing double bogey.

Helpful Hints for Playing Hole #12

- From tee box (white tees) to top of hill is 187 yards.
- Top of the hill from the fairway is 100 yards to the green.
- If you have a blind second shot, your target is the lone high tree in the background.
- For shorter hitters, since the green slopes front to back and the hole slopes left to right, hit one or two clubs less, aligning yourself to the left half of the green. Play not to hit the green, but to land on the front bank and roll the ball on.

Hole #12 can be a bit easier in soft conditions. If there is a dry spell, good luck hitting your approach on the green. A high-trajectory, full-wedge shot is about the only chance you have to keep it on.

If you are confident with your driver and your short game is on, I say go for it every time and get out of there with a decent birdie chance (par at worst). But, if your feel around the green is a bit more inconsistent, or you do not drive the ball 230 plus, a hybrid or 4/5 iron that goes 175 to 190 yards off the tee will leave you approximately 100 yards into the green. Then, all you have left is a simple, full, high-lofted shot, or a bump and run left of the flag and let it roll on.

Hope you find these tips on hole #12 useful. Good luck!

MEMBER SPOTLIGHT

JOE & CHERYL ROCK

They've been members of Meadia Heights for...

Two years. At first they came mainly for the dining and social experiences, but now Joe's also focusing on golf. ("This is a golf club, right?" he quips.)

They decided to join the club because...

Joe "blames" Mr. Zanghi and Mr. DeMarco, who he shared a fun-filled outing with during a Mark Will event. "My arm is still a little sore from all that twisting to sign before I left that day," he says. Cheryl not having to cook dinner also influenced their decision!

Their favorite Meadia Heights memory is...

A baby shower to prepare for their granddaughter Pearl (Ashley and Steve Glick's daughter).

Joe and Cheryl grew up in...

Cheryl is a lifelong Lancaster County resident who spent her childhood in Neffsville. Joe was born in Allentown, but has lived in Lancaster for 47 years.

Their favorite childhood memories include...

For Joe, it's endless hours of playing pickup sports and exploring the woods. Cheryl's favorite memories include driving around looking at Christmas lights with her family, searching for Easter eggs and baskets, and playing in the woods and lounging in a hammock.

Their first cars were...

Cheryl drove a two-tone blue Chevette, while Joe had a 1970 Monte Carlo.

Joe and Cheryl first met...

At a dance, "a very long time ago."

They took their last vacation in...

Joe and Cheryl visited Hilton Head, South Carolina, with their children and grandchildren, where they also attended a cousin's wedding.

Their bucket list items include...

Travel is high on both of their lists—but to very different locales. Cheryl would love to sleep in a glass igloo hotel in Finland and see the Northern Lights. Joe dreams of riding a motorcycle on the Pacific Coast Highway in California.

Their favorite beverages are...

Joe enjoys a traditional Old Fashioned made with Bulleit bourbon, while Cheryl typically goes for RumChata over ice or a Sauvignon Blanc.

Their favorite foods are...

“Pasta is GOOD! And anything with pasta,” Joe says. They’re both seafood lovers, with Joe opting for lobster fra diavolo and Cheryl king crab legs with lots of melted butter for dipping.

If they’re not at Meadia Heights...

They’re likely spending time with their children (Hayley, Ashley, and Chris) and grandchildren (Taylor, 24, Skylar, 20, and Pearl, 2).

If they could invite any three people—living, dead, or fictional—to a dinner party, they would invite...

Cheryl would make it a family affair, inviting her mother, paternal grandfather (whom she never met), and her paternal grandmother. Joe would invite Ayn Rand, John F. Kennedy, and Samuel Langhorne Clemens (otherwise known as Mark Twain).

If they could be animals, they would be...

Cheryl would be a fox. Joe would be an eagle, to represent the responsibility of leadership and the strength to stand strong when required.

If you dropped in on them at home unexpectedly, they would be...

Reading! Joe and Cheryl are both avid readers. Joe recently enjoyed *A Gentleman in Moscow* by Amor Towles, recommended to him by member Gene Homan. Cheryl loves murder mysteries and suspense novels by authors such as Tami Hoag, Karin Slaughter, and Tess Gerritsen. (Look out, Joe!)

IT'S IN THE BAG

In this issue of Bump & Run, Julie Walsh shares what she has in the bag that keeps her game running smoothly—most of the time. (Ask her about the time a tree threw a golf ball at her!)

Julie Walsh

How old are your irons?

Four years old.
They're Callaways.

How far do you hit your 7 iron?

110 yards.

What snacks do you like to have on hand when playing?

Gluten-free pretzels.

What is your favorite club?

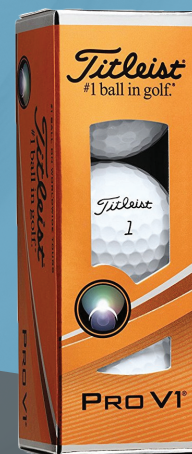

My Callaway driver.

What brand of ball are you currently playing?

Titleist Pro V1.

What's the story behind your favorite ball marker?

It's a butterfly from when I played at Kapalua in Hawaii.

What is your current handicap?

17

If you could play any course in the world for free, which one would it be?

Augusta National.

Lowest gross score for 18?

I shot 78 at Foxchase (LLCGA Better Ball).

Favorite professional golfer?

Tiger Woods.

What iron do you chip with?

Sand wedge.

Favorite hole at Meadia Heights?

I have a love/hate relationship with hole #3.

If your clubs could talk, what would they say?

"You have potential."

Favorite golf memory?

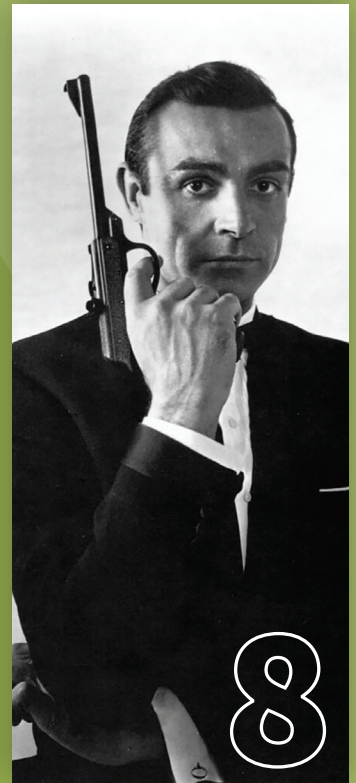

I have two. While playing in my first nine-hole event at CCC, I hit a shot that rolled up a tree and landed squarely on my head. I was laughing so hard I could barely get a grip (no pun intended), even after I incurred the penalty shots! And, my father gave me his old 2-wood (with an actual wood head), and when he did not see my name in the paper, he would say, "You should have tried my 2-wood!"

EMPLOYEE SPOTLIGHT

JEFF MCNICHOLAS

Members of Meadia Heights will recognize Jeff McNicholas's face as a welcome sight. As a bartender here, he's always standing by with a refreshing drink after a day on the links. He's been part of the Meadia Heights family for 18 years, but did you know the following facts about him?

- 1** Jeff was born in Chicago, Illinois, then moved to Landisville when he was about 12 years old. He's a 1982 graduate of Hempfield High School.
- 2** His favorite drink is beer, specifically porters and stouts (and Guinness in particular). For these warmer months, though, he prefers a nice cold Shock Top.
- 3** And what goes great with beer? Jeff's favorite food—Chicago deep dish pizza.
- 4** On his last vacation, he visited Gilbert, Arizona, where friends from Pennsylvania had moved.

- 5** When he's not at Meadia Heights, Jeff loves to bowl at Rocky Springs. He's a member of two bowling leagues—Meadia Heights and the Garden Spot Men's League.
- 6** Jeff enjoyed climbing trees as a child, so if he were an animal, he figures he'd be a monkey.
- 7** His first car was a brown Toyota Corolla with a manual transmission.
- 8** If Jeff could invite anyone to a dinner party, it would be Bond, James Bond (the Sean Connery version).

EXTRAORDINARY GOLF *Gary McCord*

At the 1984 St. Jude Classic in Memphis, the gallery saw more of the famed Gary McCord than either of them wanted! While he was lining up a putt, McCord's pants split wide open, giving the crowd a view of a full moon—unlike most golfers, he wasn't wearing any underwear. Feeling the cool wind on his backside, McCord quickly wrapped his caddie's towel around his waist until fellow golfer Peter Jacobsen sold him his own rain pants—for the small fee of \$20. You can't make this stuff up!

TOURNAMENT

COOPER PRINTING, INC.

IN THE NICK OF TIME!

Nick Grouzes understands the meaning of the word adversity. In the midst of juggling a new family and starting a business, he decided to come back to Meadia Heights as a gift to himself. As a former member of the club, he had enjoyed the camaraderie that is unique to Meadia Heights, a home away from home, somewhere to relax when you just need to get away for a while. Little did he know when he rejoined the club in March that it would change his life!

During the morning round of the 3-Day Member-Guest Tournament, Nick stepped up to the 18th hole tee and, like all the groups before him, joked about winning the brand-new maroon Jeep Grand Cherokee being given away for a hole in one. And just like he had done

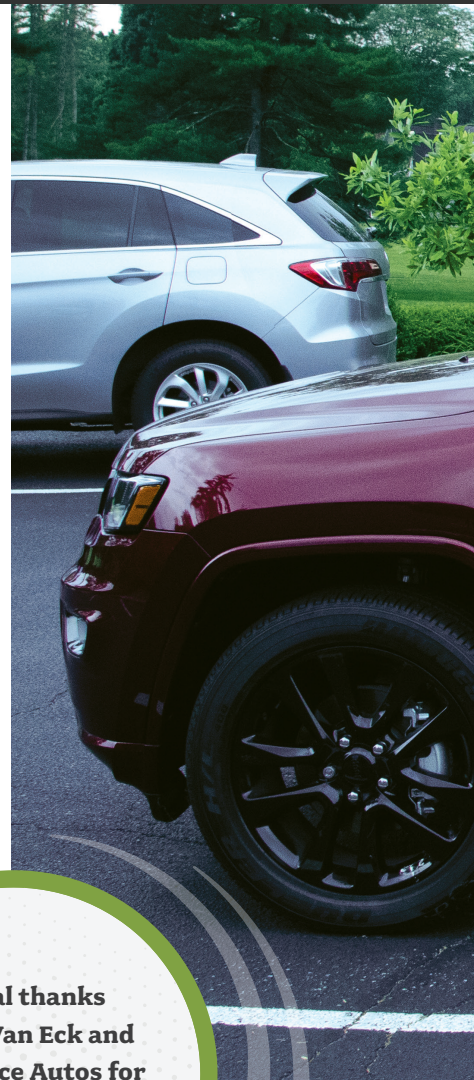

so many times before, he pulled out his six iron and stared at the flag more than 185 yards away. The rest, as they say, is history. Nick hit the ball square on the club face, and it screamed toward the pin, hit the green, took one hop, and went in the hole!

Nicki Fisher, on the steps as the spotter, couldn't believe her eyes, jumping up and shouting, "It's in the hole!" (She may have used more colorful language, but you get the idea.)

Great things happen to great people at Meadia Heights, and we can't wait to see what happens next!

Congratulations Nick!

**Special thanks
to Tom Van Eck and

donating the 2019 Jeep
Grand Cherokee!**

HOLE IN ONE FAST FACTS

The Odds on Making a Hole in One

- Pro Golfer = 2,500 to 1
- Low-Handicap Amateur = 5,000 to 1
- Average Amateur = 12,500 to 1

2 for 1!

Gene Sarazen and David Russell both made a hole in one during the 1973 Open Championship in Troon, Scotland.

How About 4 for 1!

Nick Price, Doug Weaver, Jerry Pate, and Mark Wiebe all made hole in ones on the 6th hole during the 1989 US Open at the Oak Hill Country Club. The odds of this happening, even at the professional level, are staggering—1.6 million to 1!

Hole in One Trivia

The most recorded hole in ones by a professional golfer is 51, by Mancil Davis. Eight of those came in a single year.

The odds of having two hole in ones in a single round by an amateur golfer are 67 million to 1!

The average handicap of an amateur golfer who makes a hole in one is 14.

40% of all hole in ones are made with a 7, 8, or 9 iron.

60% of all hole in ones recorded each year are made by golfers age 50 or older.
