SCOTT SKLAR
*Head Golf Professional
& Director of Membership*

Greetings, Meadia Heights Members

To be the golf pro here at Meadia Heights in its 99th year is quite an honor. And then to have a role in the Centennial Celebration next year is beyond what I ever imagined, even when I first moved to Lancaster 10 years ago.

I cannot express how excited we are to unveil a fantastic year in 2022, full of special events commemorating the past and present of Meadia Heights Golf Club. One of the highlights will be a Centennial Pro-Am Golf Tournament honoring past staff members and pairing them with current members. There will be great golf, laughs, and some tales of Meadia past, I am sure. Another highlight will be the Centennial Gala, a showcase honoring the past 100 years of the club. Be on the lookout for more Centennial Celebration details over the next few months. We hope you will enjoy this once-in-a-lifetime anniversary with us all year long!

A fun aspect of my job is keeping the golf shop well stocked with current fashions and the latest equipment that let you proudly represent Meadia Heights. Throughout the 2021 holiday season and into spring, we'll be stocking some fresh apparel, much of it featuring our limited-edition centennial logo, which will be used in 2022 only. Without the support of our members, we would not have reached this important milestone, and we could not offer the wide array of golf shop products that we do.

The finale of 2021 will honor this year's tournament champions. December 5, we will host our Annual Awards Ceremony and Member Appreciation Night. Mark your calendars now, and be sure to join us for delicious food, highlights of the season, and trophy presentations!

This year will certainly go down as a memorable one, and I cannot thank our staff enough for what we have accomplished. Rosie and his crew did a fantastic job with our golf course — those fairways and greens are something to be proud of. Mary Nichols, Chef Ben, and the restaurant staff pulled off nothing short of a miracle, working tirelessly to get the job done. The commitment of Billy and Conner to this club is tremendous, and I am so thankful to be at the helm of such a fun and productive team. Thank you, Kristin, for enhancing Meadia Heights. We appreciate everything you do. And lastly, working with Daniel Glick, Scott Reis, and Patty Watson has been an honor for me.

On behalf of the entire staff, I would like to thank our membership for continuing to make Meadia Heights **Your Home Away from Home**. I hope you have a great holiday season.

POOL! SEE YOU BY THE

Groundbreaking for Meadia Heights' new swimming pool took place on August 17, and with each passing month, we're getting a little bit closer to diving in. In September, the pool outline and digging were completed, and the foundation for the bar was poured. The pool concrete and foundation were poured in October, and by the time you read this, the pool walls and tile work should be completed. We'd like to send a huge thank-you to CGA Architects for all their work on this project so far. We're excited to add this awesome amenity to our club, and we hope everyone is looking forward to spending next summer sipping drinks and splashing around the pool!

- 3 TB apple butter
- Pinch of cinnamon

2. Combine the cinnamon and sugar on a plate.
3. Dip the rim of your glass in the cinnamon sugar to coat.
4. Fill a shaker with ice.

RICH & RANDY

RIDER

Brothers Rich and Randy Rider joined Meadia Heights in April of this year, and they’ve quickly fit right in at our home away from home. We asked a few questions to get to know them better and soon saw they have more in common than just golf, including a love of *Happy Days*, peanuts, and — of course — family.

Why did you decide to join Meadia Heights?

Rich: The club provided me the opportunity to be part of a great course, and the members are so welcoming.

Randy: I had been looking for a club for over three years, and Meadia fit everything I was looking for. Great people, great golf, and easy to get to.

What is your favorite Meadia Heights memory?

Rich: Spending an entire weekend with three generations of Riders during the Member-Guest Tournament. My father Allen played with Larry Miller, my son Zachary played with Randy, and I played with my son Trent.

Randy: Member-Guest was special since we had three generations of Riders at the event.

Where did you grow up?

Rich: Born in Fort Collins, Colorado, and lived in several different states before arriving in New Holland in 1979. I have been fortunate to live in several different states, but I grew up right here in Central PA.

Randy: Someone told me that you grew up where you learned to drive. If that is true, then New Holland, Pennsylvania. But I believe I am truly from Stillwater, Oklahoma, even though we moved from there when I was young.

What was your favorite television show growing up?

Rich: *Happy Days*, *The Dukes of Hazzard*, and *Monday Night Football*.

Randy: *Happy Days*.

What is your favorite movie, book, or TV show now?

Rich: My favorite movie is *The Sandlot*. “You’re killing me, Smalls.”

Randy: The book *The Coffee Bean*. Easy to read and great message. Be a coffee bean.

What does your perfect breakfast look like?

Rich: Two eggs over easy, hash browns, sausage, and toast.

Randy: Egg, bacon, and cheese toasted croissant sandwich.

What are your favorite snacks?

Rich: A spoonful of extra-chunky peanut butter or a Payday candy bar.

Randy: Peanut M&M's.

If you could eat only one food for the rest of your life, what would it be?

Rich: Grandma Rider’s grilled chuck roast.

Randy: Mom's spaghetti.

What’s the longest trip you’ve been on?

Rich: A trip to Europe to watch both my boys play soccer.

Randy: A seven-day golf trip to Ireland.

What music do you put on when you want to get pumped?

Rich: Chris Stapleton.

Randy: “Down with the Sickness” by Disturbed, or anything by Metallica or Cadillac Three.

Which household chore do you actually enjoy?

Rich: Cooking.

Randy: Mowing. It is the only time I get to disconnect.

What is the ideal age?

Rich: I feel my current age is the best age, able to enjoy everything we have worked so hard to obtain.

Randy: 35.

What motivates you?

Rich: To be the best I can be without regrets or compromising my beliefs.

Randy: Making other people smile.

What are you grateful for?

Rich: Time spent with family.

Randy: Our close-knit family.

CHUCK NULLS

FACILITIES AND MAINTENANCE

When did you start at Meadia Heights, and why did you decide to work here?

2016. Meadia is close to home, the people are friendly, and it has a nice atmosphere.

What is your favorite Meadia Heights memory?

Skinny-dipping in the pool as a kid! We used to jump the fence, and we ran from the cops a few times.

What do you like to do when you are not at work?

I like to fish along the Conestoga River and have two

canoes. I like to hike and ride bike too. My boat was lost in the last flood, but I was able to replace it with a 1970 14-foot fiberglass V-bottom boat in September. It needs some work!

Where did you grow up?

Lancaster. My father owned the Quarryville Inn when I was a kid, and I spent a lot of time there growing up. My grandfather had his own orchestra and was an instructor.

What are some of your favorite holiday traditions from that time?

Decorating the tree and house for Christmas, getting dressed up for Halloween, and setting off fireworks for the Fourth of July.

What is the best thing you have ever bought?

My Ford Bronco! I totaled it in 1994 but rebuilt it. I recently bought an e-bike.

What is your favorite line from a book or movie?

"I can do all things through Christ, who strengthens me."

What food is underrated or underappreciated?

Egg rolls. My favorite is shrimp.

What does your perfect burger have on it?

Provolone cheese and A.1. Sauce.

What was the last goal you achieved?

I saved \$10K! My next goal is to save \$20K and buy a house.

Where have you traveled?

Deep sea fishing in the Chesapeake Bay as a kid. My dream is to live on a boat.

How do you unwind after a hard day?

Grab my rod, go fishing by the creek, and enjoy a cold Löwenbräu Dark. A great day for me is being out on a boat, catching big fish. The largest I caught was a 40-pound carp in the Mill Creek.

What skill or talent would you most like to learn?

How to brew beer.

What's the most interesting period in history?

Prehistoric times,

when dinosaurs roamed the earth. I'm also intrigued with shipwrecks and would love to search for sunken treasure.

What was the last thing you were really excited about?

Seeing my grandkids this past July.

Conner, 5, and Brooklyn, 2, they live in Minnesota.

What's the best thing you've got going on in your life right now?

The relationship with my girlfriend, Dawn.

IN THE BAG
WITH

Mary Fleig

Mary put up some seriously impressive stats during her decades-long career as a college women’s basketball head coach. (645 wins! PSAC East Coach of the Year six times!) My irons are brand new! TaylorMade, which I got fitted at Meadia.

Which is your favorite club?

My favorite was my 5 hybrid. I’m still trying to find one with my new clubs!

Titleist, but I can play with any golf ball — especially if it’s free!

What’s the story behind your favorite ball marker?

I don’t have one!

How far do you hit your 7 iron?

When I had a 7 iron in my bag, it was 135 yards!

What’s your current handicap?

#7.

What snacks do you like to have on hand when playing?

An apple and cashews (and a citron vodka at turn if I’m not playing well!).

Favorite professional golfer?

My all-time favorite golfer was Arnie Palmer. Now I like Jordan Spieth.

If you could play any course in the world for free, which one would it be?

Augusta.

Favorite golf memory?

If your clubs could talk, what would they say?

“Keep having fun playing golf with all your friends at Meadia Heights!”

EVERYTHING IS ROSIE

As I write this, it is early October, and the bulk of the golfing season is over. The leaves are starting to change and fall, and the worst of the summer is gone.

What a summer it was! Temperatures went well above average for days on end, and it seemed the irrigation pump was running at a record pace. When it did rain, it was not a good soaking, only a half or quarter inch at a time. The weather was certainly a major factor in determining our course of action pertaining to mowing, spraying, and other tasks. It was certainly a challenging year.

Our fall projects have started and are progressing nicely. The greens have been aerated and top dressed and have recovered quite well. I have seeded some areas of rough

just off of the fairway to establish better turf, and efforts will be made to maintain it throughout the season. Tees and aprons will be aerated, and the fairways will be verticut and fertilized. All of these plans will give us a better start for 2022.

Finally, on a personal note, I would like to humbly thank the membership for your generous gift of appreciation. Your caring words and kind gestures are deeply appreciated. I am truly pleased that everyone is satisfied with our work.

My Best to All,

ROSIE
Golf Course Superintendent

The Swing IN A Nutshell

BY SCOTT SKLAR
Head Golf Professional

POSTURE

Separate the upper body from the lower body by hinging from the hips, feeling as though you are getting ready to sit in a chair. Tilt your spine angle over the ball and check off this list:

- ☐ Feet are shoulder-width apart
- ☐ Toes are equal distance from the ball
- ☐ Knees are flexed for versatility and effective turn
- ☐ Hands and arms are relaxed

BACKSWING

The tempo of the backswing should be slow and smooth. The backswing is designed to load the energy, thus taking the club back low and slow.

DOWNSWING

Transitioning the backswing into the downswing begins with a turn of the back foot and your hands leading the clubhead. I always like to say, “Swing with your back foot,” which helps bring your hands more forward and keeps the clubhead from coming down too early.

The downswing is an accelerated motion allowing all of your momentum to take you to a full finish. It is important to note that the posture must be maintained, especially through impact, for maximum distance and accuracy.

FINISH

Hold your pose, allowing the momentum you created to finish on your front side. Ideally your belt buckle faces the target, or even left of your target, which solidifies that you have produced a full swing.

2021 SOCIAL EVENTS

Golf may be winding down for the year, but we still have exciting social events to look forward to! Whether it's our year-end Awards Ceremony or the Centennial New Year's Eve Party — the kickoff of our Centennial Celebration — there are still plenty of opportunities to get together with your fellow Meadia members.

29th - Cigar Club

It's the Cigar Club's Annual Cigar Exchange! Will you discover a new favorite?

31st - Centennial New Year's Eve Party
