# WELCOME

## You Belong Here

Nestled on 145 acres of Lancaster County Central Park is one of Lancaster's best-kept secrets, Meadia Heights Golf Club. Founded in 1922, Meadia Heights has been Lancaster's home away from home for nearly a century, offering a casual and relaxing environment for members from all walks of life to enjoy.

Whether you are an avid golfer looking for a challenging course or a beginner who is just starting out, Meadia Heights has the facilities to fuel your passion for the game. If golf isn't for you, our dining and social events will keep you entertained and coming back for more.

***We encourage you to spend a day with us. You will quickly understand why we all agree—you belong here.***

# GOLF

## Not Just a Sport, a Way of Life

If you play golf, you know the appeal of the game and the pull it has on you. At Meadia Heights Golf Club, we offer 18 of the most challenging holes in the county—exciting holes that will inspire your game—combined with a few that will test your skills.

Our professionally designed course weaves effortlessly through the natural settings of Lancaster's rolling hills and wooded areas, creating a space that soothes the soul and lifts the spirit. Maybe that's why the lowest PGA tournament round ever shot—a 58 (14 under par)—was achieved by a former Meadia Heights member who spent countless hours practicing at our premier course.
