a message from

Daniel Glick

As we prepare to welcome another exciting golf season, I want to take a moment to reflect on the past year and share our vision for the future. We recognize that 2024 presented some challenges, particularly with course conditions, and we appreciate your patience and feedback as we continue striving to enhance your experience at Meadia Heights.

Over the winter, we took a proactive approach to course maintenance and club improvements to ensure this season is our best yet. Our dedicated team has been hard at work implementing significant upgrades, including:

- **Removing trees** in key areas to promote better turf management and overall course health.
- **Upgrading our current sprinkler system** to improve irrigation efficiency and maintain consistent playing conditions.
- **Purchasing a new roller** to enhance the health and smoothness of our greens, providing a better putting surface.
- **Clearing and cleaning natural areas** throughout the course, further enhancing the landscape's natural beauty and playability.

We also plan to reintroduce the intermediate cut on our fairways once the grass starts to grow after aeration this spring — a process that should be well underway by the time you read this!

Beyond course improvements, we have also been focusing on elevating your overall club experience. We are refining our food presentation and quality to ensure that every meal matches the excellence of our facilities. Additionally, our leadership team is committed to continuously improving member engagement to make your time at the club as enjoyable and rewarding as possible.

I, for one, am excited for the season ahead and look forward to seeing everyone on the course. Your continued support and enthusiasm inspire us to make Meadia Heights a premier destination for golf and camaraderie. Thank you for being an integral part of our club's community — we can't wait to share a fantastic season with you.

Respectfully,

DANIEL GLICK

BEHIND THE GREENS

WITH BOBBY

Hello everyone, and happy spring!

We actually had a winter this winter. Even for me, coming from Long Island, the past three years we've seen little to no snow. This year, almost 12" fell throughout the winter months, but our team made the most of the dry and non-snow-covered days on the course.

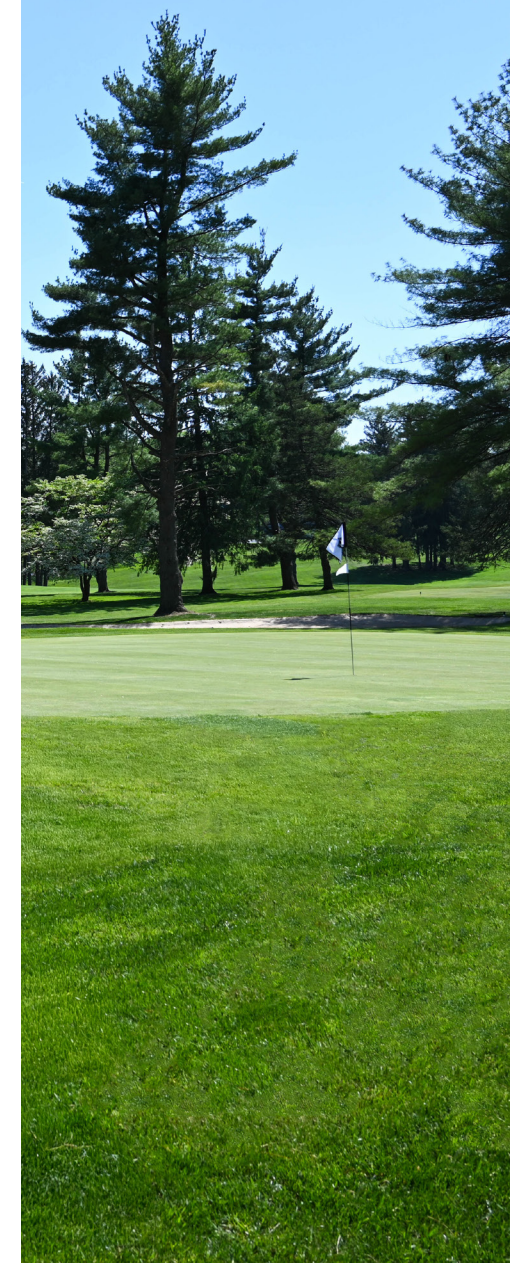

Outside of normal winter maintenance like sanding and staining benches and cart signage, we were able to do a lot of tree work. Upland Tree Service came in on a bitter cold day in December and took down some dying, but mostly encroaching, trees on #15 tee, #14 green area. Rubio's Tree Service then did the same on #3, behind #2 green, and on the player's left side of #7. They also trimmed up the sycamore in front of #4 green, and the large oak left of #7 green. Our goal was to take out dying and dead trees first, then remove some that were becoming problematic for playing conditions.

We also cleared the woods left of #12 and behind #15 green. By doing this, we cleaned up an in-play wooded area, removed a bunch of debris that had collected over the years, and exposed several rocky outcrops, greatly improving views of that part of the course. Our last step is to have Hummer Turfgrass hydroseed the bare soil with tall fescue. Once this grows in, we'll have an awesome contrast of lush green rough flowing into a clean grove of trees, with golden brown fescue underneath the tree canopy.

As spring carries on, we'll be sodding bunker edges that have become inconsistent and problematic and cleaning and resetting them for consistent playability. We also plan to slightly raise the transitions from cart path to grass on certain holes to create smoother driving as you enter or exit.

Coming out of winter, I feel really good about the course conditions and everything our team has accomplished. I'm confident we'll be able to parlay this great start to an even better golfing season, and I look forward to seeing everybody out on the course!

WHEN DID YOU START AT MEADIA? WHAT MADE YOU DECIDE TO WORK HERE?

Late August 2024. I’ve worked in private clubs before, and it was something I enjoyed and wanted to be a part of again. I had heard great things about Meadia, so when I saw the club was hiring, I applied posthaste.

WHAT DO YOU LIKE MOST ABOUT YOUR JOB?

It would be hard to settle on just one thing. First and foremost, the members make my job worthwhile, fill me with a sense of belonging, and bring me the most joy. The relationships you build within the walls of this club make everyone feel like family, and we take care of each other.

The freedom I have behind the bar, the ability to make high-quality cocktails, and seeing the smiles on people’s faces when they sip my drinks, it’s an almost indescribable feeling. I’m grateful for every day I get to be a part of Meadia, doing what I love.

WHAT’S THE MOST UNUSUAL OR INTERESTING JOB YOU’VE EVER HAD?

I’d say when I was a photographer and journalist for a metal music magazine based in Reading. It was a cool gig. I could go to pretty much any concert I wanted for free and interview the most interesting artists and bands.

WHERE DID YOU GROW UP?

I was born and raised in Lebanon County. Cedar Crest High School grad. Go Falcons.

DO YOU HAVE ANY CHILDREN/PETS?

I have my son, Warren. He is so beautiful and brilliant, and being a father to him is the best thing I will have ever done in my life. I also have two dogs, Murphy and Rose (a border collie / lab mix and a Staffordshire terrier), who can’t be convinced they aren’t my children.

WHAT DO YOU DO IN YOUR FREE TIME?

I enjoy playing in a summer baseball league in York, cooking, hiking, vinyl collecting, and playing various types of games. I’m always exploring new hobbies and looking for things to do to stay active.

WHAT’S YOUR FAVORITE BOOK / MOVIE / TV SHOW / SONG?

The Count of Monte Cristo is one of my favorite books. I have a quote from it tattooed on my body. A movie I really enjoy is *Everything Everywhere All at Once*. It will mess you right up. My favorite TV show of all time is *Breaking Bad*. It’s brilliant. I’ll take any song sung by Frank Sinatra while I’m cooking in the kitchen.

WHAT’S SOMETHING PEOPLE MIGHT BE SURPRISED TO LEARN ABOUT YOU?

Once upon a time, I swam for a US swim team. I suffered multiple fractures in my ankle playing baseball, which ended my swimming career.

WHAT’S THE WEIRDEST FACT YOU KNOW?

It rains fish in Honduras. Every year, the town of Yoro experiences the “Lluvia de Peces” (Rain of Fish), where fish literally fall from the sky.

WHO IS SOMEONE YOU LOOK UP TO? WHY?

I can think of three significant role models: My 6th grade teacher, Mr. Stoudt, taught me discipline, proper grammar, manners, public speaking, and how to tie a tie. My baseball coach and personal trainer, Scott, taught me sportsmanship and how to act on the field. Lastly, my father, Todd, taught me how to be a gentleman, work hard, and take care of my family.

WHAT SKILL OR TALENT WOULD YOU MOST LIKE TO LEARN?

I’ve always wanted to learn how to play piano and sing like Billy Joel. Or ice-skate, still can’t figure that one out. I used to be the only kid playing hockey in sneakers.

WHAT ARE YOU GRATEFUL FOR?

I’m grateful for the life I’ve been given, my health, my family, and my career.

WHAT ADVICE WOULD YOU GIVE YOUR YOUNGER SELF?

Slow down, think before you act, and sometimes it’s okay to say no.

WHAT’S THE LAST THING YOU WERE REALLY EXCITED ABOUT?

The Yankees getting to the World Series. That excitement was short-lived and quickly dissipated.

WHAT’S SOMETHING YOU’RE LOOKING FORWARD TO?

Something I’m really excited about is watching my son grow up. I always knew I wanted to be a dad, but I never knew how fun it would be.

Tyler Heckard
